**Friday evening groups** will go in order beginning at 4:30pm with the first wave, and 7:00pm with the second wave of classes. We have decided to not schedule specific times for Friday as we were always ahead of schedule and waiting for some students to arrive. We would rather have the students all here, and as quickly as they are all changed and ready for the next group, we continue with photos. This has worked great for the older groups on Friday evening in the past, so we have decided to try it this way with all of the groups on Friday. The quicker they change, the quicker they are done! 😊

**Saturday groups** - Please arrive a little ahead of your time and be ready for your scheduled photo time. Sometimes we run ahead of schedule! We will wait until the scheduled photo time for each class to start, but we will not wait past the scheduled time. Double check your class time/instructor, as we do have some classes that meet at the same time and have the same costumes.
