

DRESS CODE

- Adhering to a dress code is an important part of a student's dance education. Along with proper classroom etiquette, following dress code shows respect for the art of dance, the teachers, and the students themselves.
- All dancers should have a bag to carry their shoes into the classroom. Shoes and bag should be clearly labeled with dancers first and last name.
- Hair must be worn secured back and away from the face and off of the neck at all times, in all classes. For Ballet, hair must be pulled back into a neat, secure ballet bun.

•Dance is a disciplined art form and must be respected as such. To teach effectively, see proper body alignment, and make necessary corrections, the dancer must be dressed properly. Also, hair must be secured out of the face in a bun, braid, etc. Dance shoes are purchased through T'Dance so that the students are sized correctly, and everyone has the correct shoes for their classes. **Do not come to dance class in your sports practice clothing and expect to participate.** Students are expected to be prepared for class with the correct clothing and shoes, as when you show up for a sports practice you are dressed appropriately and have the correct equipment.

•DRESS CODES WILL BE ENFORCED. NO SWEATS, T SHIRTS, BAGGY CLOTHES OR STREET CLOTHES ARE TO BE WORN FOR ANY CLASS. BARE MIDRIFTS ARE NOT ALLOWED IN CLASS.

•You may not be allowed to dance if you are not dressed appropriately.
