

# T'DANCE COSTUME PHOTO DAY

## INFORMATION AND SCHEDULE

- Iris Photography will be taking group and individual photos at T'Dance on April 19th and 20th (noted on T'Dance calendar). Backdrops are set up in Studio 1. You may pre-order photos the day of the photo shoot, or they will be available for viewing and ordering online within the following week. They are very quick!
- Order form and information sheet from the photographer is attached.
- Hair should be in a bun for all photos. The bun should be straight back from the ears on the back of the head. (Not on top of the head.) Short hair needs to be pulled back out of the face.
- Make up is not required for photos.
- Do not wear jewelry for photos.
- Please have correct color of tights and shoes that were listed with the costume information for each class. We have all of the tights in stock and recommend getting them soon as we sometimes run out of certain sizes during photos and have to reorder before recital.
- Label all of your costume pieces, tights and shoes with your name or initials.
- Costumes should be steamed free of wrinkles and ready to be worn for photos. Do not iron - many of the fabrics used for costumes will melt if ironed. A spray of warm water will also help with wrinkles and/or hanging in a hot steamy shower.
- Some classes will have undergarments required (nude leotard, bras with clear straps, black leotards, etc.) If not on the original list we will let the dancers know in class. It is best to not wear underwear under tights when wearing costumes. Tights serve as undergarments for dancers.

- Note for Thursday 5pm Ballet/Tap classes - we will not be using the gloves or the enclosed collar piece, but we will use both hair pieces.
- Most hair pieces will go on the right side of the head. We will finalize placement of everything on photo day!
- Tuesday and Thursday Ballet/Tap classes will receive bows for tap shoes on photo day.
- Any questions - please ask your class teacher or email for clarification.

Thank you and we are looking forward to seeing everyone in their beautiful costumes for costume photo day! 🥰

WED 8:30 HIP HOP-STUDIO 1&2-Makenzi&Emily			

- **Friday evening groups** will go in order beginning at 4:30pm with the first wave, and 7:30pm with the second wave of classes. We have decided to not schedule specific times for Friday as we were always ahead of schedule and waiting for some students to arrive. We would rather have all the students here, and as quickly as they are all changed and ready for the next group, we continue with photos. This has worked great for all the groups on Friday evening in the past! The quicker they change, the quicker they are done!☺
- **Saturday groups** - Please arrive a little ahead of your time and be ready for your scheduled photo time. We often run ahead of the scheduled times! We will wait until the assigned photo time for each class to start, but we will not wait past the scheduled time. Double check your class time and instructor.
