

ORDER FORM BASIC INSTRUCTIONS

*Fill out one form per dancer. If dancer has more than 4 classes, attach a 2nd sheet. If you have more than 1 child in a picture, write "Siblings picture" on just one of their order forms instead of a "class/teacher" name.

*There are 4 columns (each with a different shade). They are for each class--list their class in the top box next to "Name of Class".

*Mark each item in the column for items you wish to order for that class with either a check mark or # of items wanted. For items that have more than 1 print, such as (2) 5x7s,(2) 4x5s, (4) 4x5s, (4) wallets or (8) wallets, each of those items counts as 1 unit ordered. E.g.--if you want (2) 5x7s, mark 1 or indicate with 1 check. (4) 5x7s mark 2 or indicate with 2 check marks.

*Total the \$ value for each line that has items in the far right column.

*Subtotal at the bottom. If you are using a debit/credit card, calculate the 3% fee. 7.5% sales tax. If you are using cash (meaning not a debit/credit card or a check, take off 10%! We will mark your form paid when we receive your order.)

*Buttons are on a separate order form.

*Cash payment discount of 10% this year!

*We are really looking forward to providing a great service and quality products to you! Ideas are always welcome. Please email us with any questions that you might have at irisphotographystudios@gmail.com or call us at 308.380.8422.
